**SRC news**

On Thursday, 25 June 2015 we will be having Daggy Day to raise funds for Red Nose Day. Bring a gold coin and dress as daggy as you can.

**Private vehicle conveyance**

Families who claim this subsidy need to make sure they have updated their details with schools, including bank account details, change of address, or new applications. Payments will be made in August and is only paid for each day of attendance at school.

**Library news**

All library books and home readers should have been returned to school last week. Please have a look around and send any stray ones in. Holiday time is a good time to give library bags a wash ready for next term.

The Premier’s Reading Challenge finishes at the end of August so keep entering the books on-line as you go using student log in details.

Our annual book week parade will come up quickly in August in Term 3. Children dress up as their favourite book character and there will be a book fair in the library.

**Small schools athletics**

Congratulations everyone on a great day even though it was a bit wet. We are waiting to see which students will compete in the District athletics carnival on Friday, 24 July 2015 in Kempsey.

Our PP5 relay team of Margaret, Ellie, Elenoa and Genevieve, came first on the day and will now compete in the Lower North Coast Athletics in Wauchope on 5 August 2015.

**Interest groups**

This term we have been dancing, cooking and sewing. Mr Fly has made some fantastic jams and spreads from local produce. Mrs Walder’s dance group practiced for the MEC’s dance festival. Miss Syd looked at iPads and how to make stories using different apps. Mrs Mitchell’s group did sewing and made sock puppets.

**Workers in the community**

We had a great time last week visiting local businesses. Thank you to Tumblegum Bakery for the lovely cupcakes, Elbow Street Butchery for the sausage making lessons, Kempsey Fire Station for showing us the trucks and the Macleay Argus for the inside scoop on our local paper.

**Garden**

You may have noticed our garden bed has been dug up and new soil and gravel delivered. We are hoping that by removing the old soil and bark chips, plants will grow better.

If anyone has any agave or cordyline plants they would like to donate, please contact Sally. This will finish off the garden with some low maintenance, hardy plants.

**Ellie, Genevieve and Margaret with some ribbons from the Small Schools Athletics.**

**Children visited the Argus and town library last week as part of workers in the community class work.**

**A big thank you to Mrs Walder and her girls for the fantastic makeup. The dancers looked great.**

Principal’s news

Our new school fridge magnets are here. Please place them on your fridge so you have all of our contact details at your finger tips. The new mobile number is also on the magnet.

BTN Project
Students in 3-6 have been participating in a current affairs writing project with five different small schools from Huntington in the south to Bellbrook. They have been watching Behind the News and writing a report to share with their BTN buddy.

Please take the time to read the example enclosed.

Have a safe and relaxing holiday.

Allison Mitchell
